QUOTES

“Three of the New Testament passages that call women to submit to their husbands include an important phrase. EPH 5:22 says, “Wives, submit to your husbands as to the Lord.” COL 3:18 similarly reads, “Wives, submit to your husbands, as is fitting in the Lord.” These parallel phrases serve as reminders to all wives that submission in marriage must be with the same loving wholeheartedness with which we submit to the Lord. When we submit to our spouses, we are once again agreeing with God that His beautiful ordered plan is worth obeying and the mystery worth preserving. By so doing we once again acknowledge that Jesus is Lord.”

... Barbara Hughes

“Husbands, love your wives not because of who they are, but because of who Christ is. He loves them deeply, and our responsibility is to reflect His love.”

“Headship is not an opportunity for us to control our wives; it is a responsibility to die for them.”

... David Platt
