Sermon Notes ...

Title: "No Sacrifice for Sins"

Scripture: HEBREWS 10:26-31

DEFINITIONS

APOSTASY (n): an act of refusing to continue to follow, obey, or recognize a religious faith; to abandon a previous loyalty.

QUOTES

"The universal witness of the New Testament is that apostasy if persisted in not only damns but shows that salvation was never real in the first place. The New Testament reveals how close one may come to the kingdom – tasting, touching, perceiving, understanding. And it also shows that to come this far and reject the truth is unforgivable."

... D.A. Carson

"Apostasy isn't an unintentional departure or personal struggle with doubt. It is deliberately abandoning the truth for erroneous teaching. 'The faith' refers specifically to the body of Christian doctrine, not the act of believing. Some will depart from 'the faith which was once delivered unto the saints' (JUDE 1:3). People who understand and outwardly affirm Christian doctrine but don't have a heart for God are prime candidates for being seduced by demons away from the faith."

... John MacArthur

"Religion which is begun in hypocrisy will certainly end in apostasy."

... William Spurstowe

Founded 1875

For it is impossible, in the case of those who have once been enlightened, who have tasted the heavenly gift, and have shared in the Holy Spirit, and have tasted the goodness of the Word of God and the powers of the age to come, and then have fallen away, to restore them again to repentance, since they are crucifying once again the Son of God to their own harm and holding Him up to contempt.
