QUOTES

“Nobody can do as much damage to the church of God as the man who is within its walls, but not within its life.”

“Don’t go where it is all fine music and grand talk and beautiful architecture; those things will neither fill anybody’s stomach, nor feed his soul. Go where the gospel is preached, the gospel that really feeds your soul, and go often.”

... Charles Spurgeon

“Healthy Christians produce healthy families; healthy families then produce healthy churches. Regardless of our planning, programs and policies, we will never be the healthy church God wants us to be unless each one of you has a healthy relationship with Christ.”

... Randy Smith

“It’s easy to stand on the sidelines and find fault with the church’s weaknesses, deficiencies and ineffectiveness; it’s another thing to become involved in fixing the problem by becoming part of the solution. More dedication, more involvement, more prayer, more effort, more devotion, more service, and more humble cooperation and participation in the activities of the church are the appropriate responses to the situation.
