 Scripture: GALATIANS 3:10-14

- J In verse 10, Paul quotes _____.
 - J In verse 11, Paul quotes _____.
 - J In verse 12, Paul quotes _____.
 - J In verse 13, Paul quotes _____.
1. To be righteous by the law means one must keep the **E**_____ law. (GAL 3:10)
 2. Two reasons the law can never make one righteous: 1) You cannot **K**_____ the entire law. You will fail at some point. Righteousness is not by law. It is by **F**_____. (GAL 3:11)
 3. The law says **N**_____ about faith. The law is merely a means of letting one know the ordinances of God.

DEFINITIONS

CURSE (n): evil or misfortune that comes as if in response to imprecation or as retribution.

CURSE (v): to bring great evil upon.

QUOTES

"Being under the law is the opposite of being under grace. Because of our sin against the law, being under law implies the wrath of God, whereas grace implies forgiveness and favor. Law implies a broken relationship with God, whereas grace implies a restored relationship with Him. So when Paul said we died to the law, he meant we died to that entire state of condemnation, curse, and alienation from God."

... Jerry Bridges

"Christ became a curse for sinners. We become blessed in Christ (GAL 3:13). He 'sealed my pardon with His blood' by bearing our guilt and punishment. He grounds our final righteousness before God by His own perfect obedience. Consequently, justification not only deals with past guilt, but also secures for us a complete and final (or eschatological, to use the technical term) righteousness before God. This is what it means to be justified by faith."

You who say that one should not commit adultery, do you commit adultery? You who abhor idols, do you rob temples? You who boast in the Law, through your breaking the Law, do you dishonor God? For “the name of God is blasphemed among the Gentiles because of you,” just as it is written.
