## QUOTES

"There is no righteousness that makes us right with God except for the righteousness of Christ. But for those who have been made right with God by grace alone through faith alone and therefore have been adopted into God's family, many of our righteous deeds are not only not filthy in God's eyes, they are exceedingly sweet, precious, and pleasing to Him."

... Kevin DeYoung

"'Father' is the most significant name of the God of the Bible. It is the name that sets Christianity apart from all the other religions of the world. Other religions invite us to worship their gods, allahs, creators, or metaphysical forces, but Christianity invites us to believe in a Son and to enter into an intimate family relationship with a loving Father. Jesus, the Son of God, came so that we could meet His Father, be adopted into the family of God, and relate to the almighty God of the universe in an intimate, personal, concrete way as sons and daughters."
