QUOTES

"The woman who makes a sweet, beautiful home, filling it with love and prayer and purity, is doing something better than anything else her hands could find to do beneath the skies. A true mother is one of the holiest secrets of home happiness. God sends many beautiful things to this world, many noble gifts; but no blessing is richer than that which He bestows in a mother who has learned love's lessons well, and has realized something of the meaning of her sacred calling."

... J. R. Miller

"Effective parents equip their children to overcome the world – not by changing and controlling their environment (things external to their children), but by going after their children's hearts. We change their hearts by teaching the gospel, modeling the gospel, and centering our homes on the gospel. The gospel, rightly understood and modeled, makes Christianity attractive. Effective parents make the gospel so attractive that the world cannot get a foothold in their children's hearts."
