QUOTES

"Error always goes to church because Satan disguises himself as an angel of light, infiltrates the systems of religion, particularly Christianity even true Christianity, and plants his seeds of error there and a gullible, witless, uneducated, undiscerning church becomes a victim."

... John MacArthur

"Any preacher who rejects God's law, who denies repentance to be a condition of salvation, who assures the giddy and godless that they are loved by God, who declares that saving faith is nothing more than an act of the will which every person has the power to perform is a false prophet and should be shunned as a deadly plague."

... A.W. Pink

"It is a remarkable fact that all the heresies which have arisen in the Christian Church have had a decided tendency to dishonor God and to flatter man."

... Charles Spurgeon

"The early Christians condemned false doctrine in a way that sounds almost unchristian today."

... Vance Havner
