### DEFINITIONS

**APPLICATION (n):** an act of putting something to use : a use to which something is put.

### QUOTES

“Here is a spiritual principle: We cannot exercise love unless we are experiencing grace. You cannot truly love others unless you are convinced that God’s love for you is unconditional, based solely on the merit of Christ, not on your performance. John said, “We love because he first loved us” (1 JOHN 4:19). Our love, either to God or to others, can only be a response to His love for us.”

... Jerry Bridges

“You can always give without loving, but you can never love without giving.”

... Amy Carmichael

“Our job in this life is not to go off on our own and get busy, busy, busy, work, work, work, trying in vain to produce fruit. Trying to love people on our own will lead to a life of frustration. Our responsibility is not to produce the fruit of the Spirit on our own. Our responsibility is to have a relationship to Jesus Christ and to let God use us. It is a life yielded to Christ. It is a life of rest.”

... J. Delany

“Every problem that our church has ever faced can be tracked back to a lack of love.”

... John MacArthur
