### QUOTES

"Legalists assume that one can obey God's commandments without salvation and/or in his own strength. Both ideas are false. Prayerful action in the power of the Spirit is required for change to be biblical; all change that pleases God is the fruit of the Spirit."

... Jay Adams

"When the Holy Spirit comes into the life of a saint, He infuses His divine character into that person. Thus, a life devoid of that character, which is the fruit of the Spirit, is simply not a Christian life."

... John Hannah

"The genuine evidence of the Holy Spirit's influence in a person's life is not material prosperity, mindless emotionalism, or supposed miracles. Rather, it is sanctification: the believer's growth in spiritual maturity, practical holiness, and Christlikeness through the power and leading of the Holy Spirit (as He applies biblical truth to the hearts of His saints). A true work of the Spirit convicts the heart of sin, combats worldly lusts, and cultivates spiritual fruit in the lives of God's people."

... John MacArthur
