### FROM YOUR PASTOR

Today’s presentation and message are extremely controversial in today’s society. And it gets worse when this issue is controversial in churches.

The whole subject of abortion and pro-choice and pro-life angers me in one sense and saddens me in another. What have we become as a society? What does God think about our nation and our decisions? Why isn’t the church standing up for sound Biblical truths?

I have never been at the crossroads of having to be a part of an abortion decision. Praise the Lord! And I have only known one person who has shared with me the decision he and his wife made to have an abortion. That marriage soon ended in divorce shortly after that.

But this I know. I am here today as a human being because my parents knew that giving birth to me was the right thing to do. And I am so glad to see each and every one of you here today because I know your parents thought the same.

My choice? As an individual and as your pastor I will always support the truthful God-centered Biblical values concerning the sanctity of human life. We are all fearfully and wonderfully made. How wonderful are His works!

... Pastor Mike

*Among them we too all formerly lived in the lusts of our flesh, indulging the desires of the flesh and of the mind, and were by nature children of wrath, even as the rest. But God, being rich in mercy, because of His great love with which He loved us, even when we were dead in our transgressions, made us alive together with Christ (by grace you have been saved), and raised us up with Him, and seated us with Him in the heavenly places in Christ Jesus.*
