### Ain't No Rock

Praise His holy name  
As long as I'm alive I will glorify the Lord

Ain't no rock gonna cry in my place  
As long as I'm alive I will glorify the Lord

Ain't no tree gonna wave its branches  
Gonna raise my hands to glorify His holy name

Ain't no bird gonna sing in my place  
Gonna lift my voice to glorify His holy name

### DEFINITIONS

**FIG (n):** an oblong or pear-shaped syconium fruit of a tree (genus Ficus) of the mulberry family.

### QUOTES

"The essence of apostasy is changing sides from that of the crucified to that of the crucifier."

... John Stott

"No one sets out to become an apostate - it's never the result of one abrupt, drastic turn away from the Lord. Instead, apostasy is most often the product of a pattern of sinful compromises that harden and gradually steer a professing believer away from the truth."

... John MacArthur

"When God prunes us, the result will be greater growth and sweeter fruit. Pruning usually takes place when God uses situations, people, and circumstances to help mature us in our Christian disposition, attitude, and temperament. The way we respond when we are pruned reveals our true level of spiritual maturity."

... Bunny Wilson

"Repentance is not a merely intellectual change of mind or mere grief, still less doing penance, but a radical transformation of the entire person, a fundamental turnaround involving mind and action and including overtones of grief, which result in spiritual fruit."

... D.A. Carson
