Sermon Notes ...

Title: "What Is Better"

Scripture: LUKE 10:38-42

J) There are times when we need to choose what is **B**_____ over the event at hand.
(LUKE 10:42)

DEFINITIONS

BUSY (adj): engaged in action; occupied; being in use; full of activity; full of distracting detail.

QUOTES

"Sarah Edwards did not permit this soul communion to interfere with her daily duties and tasks, but somewhere in her busy schedule there was always time for a quiet walk with God. The children early learned to respect their father's study hours, but they also recognized these times which were necessary for their mother, these moments when she needed to be alone to lose herself in God. They sensed their mother was Martha; but also she was Mary who sat at the feet of her Lord."

... Edna Gerstner

"The local church is espoused to Christ, but there is always the danger of that love growing cold. Like Martha, we can be so busy working for Christ that we have no time to love Him. Christ is more concerned about what we do with Him than for Him. Labor is no substitute for love. To the public, the Ephesian church was successful; to Christ, it had fallen."

... Warren Wiersbe

"God has promised forgiveness to your repentance, but He has not promised tomorrow to your procrastination."
