QUOTES

"We must not divide on the question of prophetic interpretation: pre-, post-, a-millennialist, and so on. Not one of them can be proved, so we must not put them into the category of essentials. You have your views; hold them. Let us discuss them together; let us reason together out of the Scriptures; but if we divide on these matters, I maintain that we are guilty of schism. We are putting into the category of essentials what is non-essential."

... Martin Lloyd-Jones

"Evangelicals who hold to these various positions on Christ's return all agree that Scripture is inerrant, and they have a commitment to believe whatever is taught by Scripture. Their differences concern the interpretation of various passages relating to these events, but their differences on these matters should be seen as matters of secondary importance, not as differences over primary doctrinal matters."

Now during the day He was teaching in the temple, but at evening He would go out and spend the night on the mount that is called Olivet. And all the people would get up early in the morning to come to Him in the temple to listen to Him.
