QUOTES

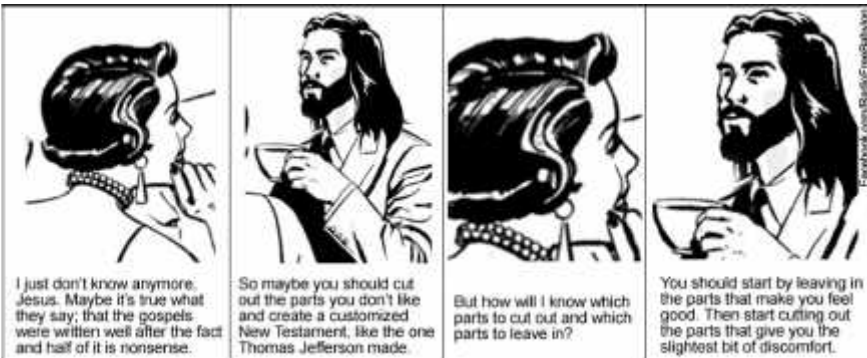

“There are only two ways that you can believe you can come to God; either on the merits of Christ or on your own merits. It’s either by grace and grace alone or it’s by works or some mixture of grace and works. It’s only two things. There’s only two kinds of religion in the world. The religion of divine accomplishment, the religion of human achievement, Christianity, the true gospel is the religion of divine accomplishment: God does it all, you simply believe. Every other religious system in the world is a religion of human achievement.”

... John MacArthur

“Is salvation a reward God owes you for your actions or grace that results from His action in Christ? Is salvation payment from on high or is it a gift given to us by God that we did not deserve? Is salvation God praising you for your goodness or is it you praising God for His goodness? What do you believe based on the Scriptures?”
