QUOTES

"The hope that God has provided for you is not merely a wish. Neither is it dependent on other people, possessions, or circumstances for its validity. Instead, biblical hope is an application of your faith that supplies a confident expectation in God's fulfillment of His promises. Coupled with faith and love, hope is part of the abiding characteristics in a believer's life."

... John Broger

"Hope can see heaven through the thickest clouds."

... Thomas Brooks

"Any gospel preaching that relies upon an act of the human will for the conversion of sinners has missed the mark. Any sinner who supposes that his will has the strength to do any good accompanying salvation is greatly deluded and far from the kingdom. We are cast back upon the regenerating work of the Spirit of the living God to make the tree good. Unless God does something in the sinner, unless God creates a clean heart and renews a right spirit within man, there is no hope of a saving change."
