### DEFINITIONS

**FREE (adj):** relieved from or lacking something and especially something unpleasant or burdensome : not bound, confined, or detained by force.

### QUOTES

“When the Bible says that we are redeemed, it is saying we have been bought out of slavery, so we as Christians have been bought and brought out of slavery to sin. Christ’s death was the price paid for our freedom from sin. Christ’s death is how God has redeemed us from our slavery to sin.”

... Mark Dever

“When you’re in the intersection between the promises of God and the details of your situation, what you do with your mind is very important. In this intersection, God will never ask you to deny reality. Abraham did not deny reality. ROMANS 4 says that he “considered the deadness of Sarah’s womb.” Faith doesn’t deny reality. No, it is a God-focused way of considering reality.”

... Paul David Tripp

“God has promised forgiveness to your repentance, but He has not promised tomorrow to your procrastination.”

... Augustine

*Founded 1875*

*Without becoming weak in faith he contemplated his own body, now as good as dead since he was about a hundred years old, and the deadness of Sarah's womb; yet, with respect to the promise of God, he did not waver in unbelief but grew strong in faith, giving glory to God, and being fully assured that what God had promised, He was able also to perform.*
