Sermon Notes ...

Series: GETTING THE GOSPEL RIGHT

Title: "Repent and Turn to God"

Scripture: ACTS 26:19-23

1. To repent means we change our **M**_____ about how we view our sins.
2. A gospel that does not include the **L**_____ of Jesus Christ in our lives and the **R**_____ of our sins in our lives is a false gospel.

DEFINITIONS

REPENT (V): to feel regret or contrition : to change one's mind : to turn from sin and dedicate oneself to the amendment of one's life.

QUOTES

"The faithful and laborious clergyman of a very large and populous parish had been accustomed, for a long series of years, to preserve notes of his visits to the afflicted, with remarks on the outcome of their affliction – whether life or death, and of the subsequent conduct of those who recovered. He stated, that, during forty years, he had visited more than two thousand people apparently drawing near to death, and who revealed such signs of penitence as would have led him to indulge a good hope of their eternal safety – if they had died at that moment. When they were restored to life and health – he eagerly looked that they should bring forth fruits fit for repentance. But alas! Of the two thousand, only two people manifested an abiding and saving change! The rest, when the terrors of eternity ceased to be in immediate prospect, forgot their pious impressions and their solemn vows – and returned with new avidity to their former worldly mindedness and sinful pursuits, 'as the dog returns to its vomit again, and as the sow that was washed to its wallowing in the mire.' (2PETER 2:22)"

"But the things which God announced beforehand by the mouth of all the prophets, that His Christ would suffer, He has thus fulfilled. Therefore repent and return, so that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord; and that He may send Jesus, the Christ appointed for you.
