### DEFINITIONS

**RELIGION (N):** a personal set or institutionalized system of religious attitudes, beliefs, and practices : the service and worship of God or the supernatural : commitment or devotion to religious faith or observance.

**RELIGIOUS (ADJ):** relating to or manifesting faithful devotion to an acknowledged ultimate reality or deity.

### QUOTES

“Legalism insists on conformity to man made religious rules and requirements, which are often unspoken but are nevertheless very real. There are far too many instances within Christendom where our traditions and rules are, in practice, more important than God’s commands.”

... Jerry Bridges

“There are basically only two kinds of religion in the world: those based on human achievement and those based on divine accomplishment.”

... John MacArthur

“If your religion does not make you holy, it will damn you. It is simply painted pageantry to go to hell in.”

... Charles Spurgeon

“Every other religion in the world is the religion of ‘do,’ but Christianity alone is the religion of ‘done.’”

... Mark Dever

For while I was passing through and examining the objects of your worship, I also found an altar with this inscription, 'TO AN UNKNOWN GOD.'
