### DEFINITIONS

**DEFEND (V):** to drive danger or attack away from.

### QUOTES

"PSALM 139:13-16 paints a vivid picture of God's intimate involvement with a preborn person. God created David's 'inward parts' not at birth, but before birth. David says to his Creator, 'You knitted me together in my mother's womb' (v13). Each person, regardless of his parentage or handicap, has not been manufactured on a cosmic assembly line, but personally formed by God. All the days of his life are planned out by God before any come to be (v16)."

... Randy Alcorn

"Though gradually, though no one remembers exactly how it happened, the unthinkable becomes tolerable. And then acceptable. And then legal. And then applaudable."

... Joni Eareckson Tada

"A conservative estimate of unborn babies killed in the world each year is 30 million – about a third of those in Russia. Romania is reported to have the highest abortion rate in the world (3 out of 4 pregnancies). In America, since the Roe vs. Wade decision in 1973 made it legal to take the lives of an unborn baby for any reason, there have been about 43 million abortions. One baby aborted every 26 seconds, 151 every hour, 3,629 every day."

*There are six things which the Lord hates, yes, seven which are an abomination to Him: Haughty eyes, a lying tongue, and hands that shed innocent blood, a heart that devises wicked plans, feet that run rapidly to evil, a false witness who utters lies, and one who spreads strife among brothers.*
