Sermon Notes ...

Series: BOOK OF JAMES
 Title: “Personal Favoritism”
 Scripture: JAMES 2:1-7

DEFINITIONS

FAVORITISM (N): the showing of special favor : partiality.

QUOTES

“For Christians the ground is level at the foot of the cross. This being so, it is absurd to be partial toward anyone. All should be treated equally – as beings created in the image of God. Rich and poor should be accorded equal honor and cordiality. Discrimination or favoritism is spiritually irrational.”

... Kent Hughes

“We stand at the crossroads between fear of others and fear of God. The road leading to the fear of man may be expressed in terms of favoritism, wanting others to think well of you, fearing exposure by them, or being overwhelmed by their perceived physical power. When these fears are not combated with the fear of the Lord, the consequences can be devastating. But when God is given his rightful place in our lives, old bonds can be shattered.”

... Edward Welch

“It is a fact of Christian experience that life is a series of troughs and peaks. In His efforts to get permanent possession of the soul, God relies on the troughs more than the peaks. And some of His special favorites have gone through longer and deeper troughs than anyone else.”

You shall not show partiality in judgment; you shall hear the small and the great alike. You shall not fear man, for the judgment is God's. The case that is too hard for you, you shall bring to me, and I will hear it.
