DEFINITIONS

FAITH (N): the assurance of things hoped for, the conviction of things not seen.

QUOTES

“Saving faith may thus be defined as a voluntary turning from all hope and grounds based on self merit, and assuming an attitude of expectancy toward God, trusting Him to do a perfect saving work based only on the merit of Christ.”

... Lewis Sperry Chafer

“Just because we have ridden in a car doesn’t mean that we are qualified to drive a car. In a sense, we have been passengers in the car of our parents’ faith. But just because we have seen their faith in action doesn’t automatically mean that we have the same faith. You see, salvation is a matter of your heart, not your parents’ hearts.”

... Karl Graustein

“We do not believe in belief any more than we have faith in faith. We believe the gospel, and we have faith in Christ. Our beliefs have substance and our faith has an object.”

... Albert Mohler

“Profession and possession of faith are not the same thing.”

... Tom Wells
