Sermon Notes ...

Series: BOOK OF JAMES
Title: "They Will Obey Us"
Scripture: JAMES 3:2-12

DEFINITIONS

AGENDA (N): a list or outline of things to be considered or done : an underlying often ideological plan or program.

QUOTES

"Sadly, the influence has been in the wrong direction, as we see evidence that our culture has begun to permeate our churches. The church is seduced by the social agenda of wealth and pleasure, and has condoned sinful compromises. There is moral decay within the church, with highly publicized scandals involving ministers, and divorce statistics which are not much better than those outside the church. Think of all that we and our churches would have to repent of if a spirit of holiness began to captivate us. How can America be influenced by an inconsistent and hypocritical church?"

... Erwin Lutzer

"Satan, the ruler of this world, is the father of lies who disguises himself as an angel of light. Therefore, following the world is subtle. It feels right. It brings approval from others when we do and condemnation when we do not. Yet following the world – the philosophies, the agenda, the trending narratives – are often contrary to God and considered to be spiritual adultery toward God."
