GRACE (N): a state of sanctification enjoyed through divine assistance : unmerited divine assistance given to humans for their regeneration or sanctification.

QUOTES

"God's grace didn't get us going then leave us to get by on our works. Grace didn't just justify us in the past, it sustains us in the present and will deliver us in the future."

... Randy Alcorn

"Sense of sin may be often great, and more felt than grace; yet not be more than grace. A man feels the ache of his finger more sensibly than the health of his whole body; yet he knows that the ache of a finger is nothing so much as the health of the whole body."

... Thomas Adams

"As a result of grace, we have been saved from sin's penalty. One day we will be saved from sin's presence. In the meantime we are being saved from sin's power."

... Alistair Begg

"We abuse grace when, after sinning, we dwell on the compassion and mercy of God to the exclusion of His holiness and hatred of sin."

... Jerry Bridges

The Law came in so that the transgression would increase; but where sin increased, grace abounded all the more, so that, as sin reigned in death, even so grace would reign through righteousness to eternal life through Jesus Christ our Lord.
