### QUOTES

"We cannot enjoy peace in this world unless we are ready to yield to the will of God in respect of death. Our times are in His hand, at His sovereign disposal. We must accept that as best."

... John Owens

---

"There is a preacher of the old school but he speaks as boldly as ever. He is not popular, though the world is his parish and he travels every part of the globe and speaks in every language. He visits the poor, calls upon the rich, preaches to people of every religion and no religion, and the subject of his sermon is always the same. He is an eloquent preacher, often stirring feelings which no other preacher could, and bringing tears to eyes that never weep. His arguments none are able to refute, nor is there any heart that has remained unmoved by the force of his appeals. He shatters life with his message. Most people hate him; everyone fears him. His name? Death. Every tombstone is his pulpit, every newspaper prints his text, and someday every one of you will be his sermon."
