QUOTES

"A selfless man will be characterized by patience, restraint and an eagerness to do what is best for the object of his affections."

... Voddie Baucham

"Patience does not ignore the provocations of others; it simply seeks to respond to them in a godly manner. It enables us to control our tempers when we are provoked and to seek to deal with the person and his provocation in a way that tends to heal relationships rather than aggravate problems. It seeks the ultimate good of the other individual, rather than the immediate satisfaction of our own aroused emotions."

... Jerry Bridges

"Patience is the grace of the man who could revenge himself, but chooses not to."

... John Chrysostom

"There is nothing which so certifies the genuineness of a man's faith as his patience and his patient endurance, his keeping on steadily in spite of everything."

... Martyn Lloyd-Jones
