## QUOTES

"Every day God patiently bears with us, and every day we are tempted to become impatient with our friends, neighbors, and loved ones. And our faults and failures before God are so much more serious than the petty actions of others that tend to irritate us! God calls us to graciously bear with the weaknesses of others, tolerating them and forgiving them even as He has forgiven us."

... Jerry Bridges

---

"God Himself is the supreme example of longsuffering. When we are tempted to be impatient with others, we should stop and think about the gracious longsuffering of God with us and our many wrongs against Him. In light of His patience toward us, who are we to think that we cannot patiently bear with the weaknesses and failures of others – or the wrongs they may have done to us?"

... Alexander Strauch

---

"If you allow physical selfishness, mental carelessness, moral insensitivity, or spiritual weakness, everyone in contact with you will suffer."

... Oswald Chambers
